

# Support at Home Schedule of Fees 2025-2026

Effective 1 April 2026 – 30 June 2026

## LIVING WELL AT HOME

Support at Home services will be designed in accordance with your Integrated Assessment Tool (IAT) after 1 November 2025. Transitioning clients will continue to receive the supports already received in accordance with your Aged Care Assessment Tool (ACAT) prior to 1 November 2025.

Support at Home is an Australian Government initiative that helps older Australians live safely and independently in their own homes for longer. It provides flexible, tailored aged care services designed around your unique needs, empowering you to maintain your lifestyle and dignity.

At St Agnes' Catholic Parish, we understand the value of receiving care from a trusted local provider with a proven track record. For over 40 years, we have supported our community through a range of aged care services, including home care, dementia care, residential aged care, and retirement living.

Our compassionate and experienced care teams work together to provide continuity of care, guiding you every step of the way, from initial assessment to personalised support so you can live your best life.
